Re: Notice of File Closure, E & B Ceramics & Jewelry, E & B Claim #1 (S/027/034), and E & B Claim #2 (S/027/035), Millard County, Utah

This letter is to notify you that the Division is closing your small mining permits and retiring the files for the E & B Claim #1 file number S/027/034 and E & B Claim #2 file number S/027/035, located in Millard County, Utah.

The BLM has confirmed that only hand tools were being used for these projects; therefore, this constitutes casual use (i.e., non-mechanized) which does not require a mining permit from this Division. Because these projects are located on BLM managed lands, we will accept the BLM's recommendation and close our files accordingly. If you plan to conduct any mining activities using mechanized equipment in these areas, you will need to submit a new notice of intention and receive Division acceptance/approval prior to beginning those activities.

If you have any questions or concerns regarding this action, please notify us within 15 days from your receipt of this letter.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
